YOU'RE INVITED!

Beef Cattle 101 Educational Series

Location: Venues Change Monthly

Dear Producer:

The Lamar County Soil & Water Conservation District, in partnership with Lamar/Upson Counties' UGA Extension Service and the USDA—Natural Resources Conservation Service, has launched a comprehensive, innovative new cattle series workshop designed especially for beginning and novice farmers in the Central Georgia area. Titled **Beef Cattle 101**, this series is composed of 10 monthly workshops, held on the third Thursday of every calendar month (excluding December) between August 2019-June 2020. Each workshop will last from 3:00 – 5:30 p.m. We are very excited to announce this exclusive series, which is the first of its kind in the state of Georgia.

To register for this new cattle series, please contact Wesley Doyle at (770) 358-0787 ex. 3 or email wesley.doyle@usda.gov to pre-register for this series. Cost is \$60 for the entire series of workshops, or \$15 for an individual session. Space is limited to 30 participants! Cost per workshop at the door is \$25, granted space if available.

We look forward to seeing you there.

Several Cattle 101 Topics Include:

- Farm business planning, budgeting and assistance options for beginning and novice farmers
- Getting started
- Grazing systems for livestock
- Pasture establishment and management
- Cattle nutrition and breed selection
- Fencing and facilities
- *And many more!*

Sincerely,

Lamar County Soil & Water Conservation District
